*A full bodied
generous wine*

GRAPE VARIETIES

50% Syrah - 50% Grenache

VINIFICATION AND MATURATION

From our best terroir of rolling pebbles, grapes are produced at low yield and harvested at optimum ripeness to obtain a better concentration.

A long maceration confer a long keeping wine, structured and complex. After a malolactic fermentation, the wine is matured one year in a vat, before bottling at the estate.

CONSERVATION

Ready to drink, ageing potential of 5 to 7 years.

TASTING

The wine is deep, with an intense red and ruby hues. The nose is complex, with a bouquet of undergrowth, blackcurrant and spices aromas. The palate is well-balanced with fatty and soft tannins, and a firm mouth feel finish.

WINE AND FOOD PAIRING

Served at 18°C, this wine will perfectly pair with red grilled meat or meat stew (leg of lamb, game stew) or matured cheeses.
